### About University -

G. H. Rasoni University, Amravati (GHRUA) is a leading private university in Central India, dedicated to academic excellence and holistic student development. The University fosters a dynamic learning environment that empowers students to excel in today's knowledge-driven global economy.

Located on a lush green, eco-friendly campus near Nimbhora, Anjangaon Bari Road, Badnera, Amravati, the University offers easy accessibility and a peaceful atmosphere for learning. GHRUA provides a wide range of programs at Diploma, Undergraduate, Postgraduate, and Doctoral levels in fields such as Science, Engineering & Technology, Commerce & Management, Pharmacy, Hotel Management, and Law, preparing students for successful careers.

### About the School of Pharmacy -

At the School of Pharmacy, G. H. Rasoni University, Amravati, we believe that pharmaceutical education is a cornerstone in advancing global healthcare. Pharmacists play a vital role in strengthening healthcare systems and driving innovation in the pharmaceutical industry.

Our mission is to nurture competent and compassionate pharmacy professionals by providing a dynamic and inspiring learning environment that fosters both personal and professional growth. The School is committed to academic excellence through its comprehensive programs, including Diploma in Pharmacy (D.Pharm), Bachelor of Pharmacy (B.Pharm), Master of Pharmacy (M.Pharm) and Ph.D.

Our industry-oriented curriculum is thoughtfully designed to equip students with the knowledge, skills, and confidence required to meet real-world challenges. Supported by modern laboratories, advanced facilities, and a strong focus on research and innovation, we ensure hands-on learning and practical exposure.

At the School of Pharmacy, we shape future-ready professionals who are prepared to contribute meaningfully to healthcare, research, and the pharmaceutical industry.

### Vision -

To empower pharmacy faculty with advanced knowledge and skills in Artificial Intelligence and smart technologies, fostering innovation-driven, future-ready educators, who contribute to excellence in pharmaceutical education, research, and healthcare in an AI-enabled academic ecosystem.

### Mission -

- To equip faculty with a strong foundation in AI and its applications in pharmacy education and practice.
- To promote the integration of AI-driven tools and smart technologies into teaching, learning, and research methodologies.
- To enhance digital competency and support the adoption of innovative, student-centric pedagogies.
- To encourage the use of data analytics, simulation, and virtual learning platforms for improved educational outcomes.
- To develop awareness of ethical, legal, and regulatory aspects of AI in healthcare and academia.
- To foster continuous professional development, adaptability, and a culture of innovation among pharmacy educators.

### Objectives of FDP -

- To familiarize pharmacy faculty with the fundamentals and applications of Artificial Intelligence (AI) in pharmaceutical education, research, and healthcare.
- To enhance digital competency and enable faculty to effectively integrate AI-driven tools and smart technologies into teaching-learning processes.
- To develop skills for designing innovative, student-centric, and technology-enabled pedagogical approaches aligned with smart campus initiatives.
- To explore the role of AI in drug discovery, pharmacovigilance, clinical research, and personalized medicine.
- To promote the use of data analytics, simulation tools, and virtual labs in pharmacy education.
- To prepare faculty for implementing outcome-based education (OBE) in an AI-enabled academic ecosystem.
- To sensitize participants about ethical, legal & regulatory considerations related to AI in healthcare and education.
- To foster a culture of continuous learning, innovation, and adaptability among faculty members in line with smart campus transformation.

### Registration Payment Gateway :

#### Bank Transfer Details -

**Co Name :** G H Rasoni University,  
Amravati

**Bank Name :** ICICI Bank

**Ac No :** 624205024807

**IFSC Code :** ICIC0006242

### Outcomes of the FDP -

- Understand basic concepts and applications of AI in pharmacy.
- Integrate AI tools into teaching-learning processes.
- Design student-centric, technology-enabled pedagogies.
- Apply AI in drug discovery, pharmacovigilance, and clinical research.
- Use data analytics, simulation tools, and virtual labs effectively.
- Implement Outcome-Based Education (OBE) using AI support.
- Address ethical, legal, and regulatory aspects of AI.
- Enhance digital competency in academic and research activities.
- Promote innovation, adaptability, and lifelong learning.
- Contribute to the development of smart, AI-enabled campuses.
